

Restaurant Month 2020 “How to Play” Bingo

Restaurant Month Bingo Overview:

Restaurant Month bingo cards are a way to promote participation among the community and motivate friendly competition to complete or fill in portions of the bingo card during Downtown Delray Restaurant Month. Throughout the month of August, participants can mark off squares as they complete the different “challenges”. Squares include attending events (virtual &/or in-person), using delivery dudes, scanning the QR code, posting to social media, and more.

Rules & Regulations:

- One bingo card per person
- If a participant fills in a horizontal, vertical, and/or diagonal row, they can submit their bingo card for a chance to win \$25 or \$50 gift cards from participating Restaurant Month restaurants. *Participants who complete multiple rows will have their names submitted multiple times (i.e. A participant completes a row diagonally and horizontally, their name is submitted twice for the chance to win a gift card)
- If a participant completes the entire bingo card, they can submit their bingo card for a chance to win a staycation at the Courtyard Marriott in Downtown Delray Beach.
 - Participants who submit a “black-out” bingo card may be asked to show proof of completion of some squares (i.e. squares completed that include social media asks – post on social media, liked Facebook page, followed Instagram page, etc)
